Dear Ms. Kelson:

On behalf of the Board of Directors of Wellspring, I want to thank you for your very generous contribution to the Wellspring Sunnybrook Expansion Campaign. Your commitment is of tremendous importance to the individuals and families who rely on our programs.

As you know, the successful conclusion of our \$5 million campaign has nearly tripled the size of Wellspring Westerkirk House - our busiest centre. Your support will allow us to introduce many new cancer support programs, which could not have been offered in the previous space. Some of the programs we are now able to offer include *Exercise, Nutrition, Navigating the Healthcare System* and *Return to Work*, as well as childcare for families accessing the Centre.

Thank you again for supporting this critical resource for men, women and children who are coping with the challenges of cancer. We are most grateful to you and send our very best wishes.

Sincerely,

Nancy Wilson
Chair, Board of Directors
